

MSO AUDITION INFORMATION

The Mesquite Symphony Orchestra is a community orchestra. The musicians (both professionals & amateurs) volunteer their time and talents to the organization. There is no pay for rehearsals or performances. The MSO rehearses on Saturdays from mid-July through early May from 9am-noon in the Performance Hall of the Mesquite Arts Center, 5127 N. Galloway Drive, Mesquite, Texas 75149.

AUDITION REQUIREMENTS/INFORMATION:

- **String players** (violin, viola, cello, and bass) are invited to come with their instrument and “sit in” with the symphony during rehearsal (Saturdays from 9am-noon from mid-July through early May). If you enjoy yourself and would like to join the MSO, consider yourself a member! Please be aware that – for the most part – seating is by seniority. If you are interested in “sitting in” with the string section, please contact Tracey Osborn at webmaster@mesquitesymphony.org.
- **ALL OTHER SECTIONS** (brass, woodwinds, percussion, etc.): Due to size constraints of these sections, there is an audition process to become a member of the MSO or to be listed on the symphony sub list. If you are interested in donating your time & talent to the MSO, please send email with your background/experience to roger@mesquitesymphony.org.

Best Wishes,
Tracey Osborn
