Instructions

Section 1 Snapshot

Total Time: 55 minutes
**Number of Multiple Choice Questions:** 70
Percent of Total Score: 50%

Each section is timed on the top right corner of the green progress box to the right of the questions. If you leave the practice exam, the timer will continue counting down. You are able to skip questions and return to them within each section. There is no penalty for getting questions wrong, and it is not expected that everyone will be able to answer all of the multiple choice questions.

Both sections of this practice exam use the chronological designations B.C.E. and C.E., which correspond with B.C. and A.D. respectively.

The timer starts as soon as you hit "Start". Good luck!
